I. RATES AND CHARGES

D. CHARGES FOR NON-RECURRING SERVICES

The following charges for special non-recurring services shall be made:

1. Service Connection Charge. A charge of \$25.00 shall be made for all service reconnections made during regular working hours, except that there shall be no connection charge made for service on the original installation of facilities. If service is reconnected other than during regular working hours, the charge shall be \$65.00.*
2. Delinquent Service Charge. A charge of \$25.00 shall be made for a trip to collect a delinquent account or terminate service. Where a customer's service has been discontinued for nonpayment of bills and the delinquent customer has paid his or her outstanding bills for service and requested reconnection, the Water System shall assess a service connection charge in addition to a delinquent service charge to re-establish water service.
3. Meter Reading Recheck Charge. A charge of \$25.00 shall be made for a trip to recheck a meter reading when the customer requests the meter to be rechecked for a correct reading and the meter was not misread.
4. Meter Test Request. Upon request a customer may have his meter tested provided request by the customer is not more frequent than once each twelve months. If such test shows the meter to be less than 2 percent fast, a \$50.00 charge shall be made. Adjustments will be made to the bill where the meter is found to be more than 2 percent fast or slow in accordance with 807:KAR 5:006, Section 10.

II. RULES & REGULATIONS

5. Fire hydrants shall not be used by any contractor, property owner, governmental agency, individual, corporation, or others to secure water for any purpose. The use of a fire hydrant by anyone other than properly authorized fire department personnel for fighting a fire shall be considered a "theft of service" and prosecuted in accordance with the laws of the Commonwealth of Kentucky. The user shall pay the System a meter investigation charge as set forth in the Water System charges for special services as approved by the PSC, any damages to the System's property, and the full cost of the services fraudulently obtained along with all other applicable costs of the System allowed under the laws of the Commonwealth of Kentucky.
6. The fire departments utilizing fire hydrants connected to the System's water main shall maintain a record of any water used, including the date, location, the time that the fire department began pumping water, the time that the fire department discontinued pumping water, the approximate rate(s) of flow, the length of any interruptions in pumping water, the cause of the fire, and property owner for whom the water was used and shall file a report with the System monthly. A non-reporting fire department shall be assessed a penalty of \$25 for each failure to submit a report in a timely manner. The record of the fire department in conjunction with the System's daily master meter readings and normal daily water usage for the service zone will be used in determining the amount of water used to fight a fire.
